## **Franklin Farm Playgrounds (Tot Lots) are Closed**

In consideration for the health and well-being of all residents during the coronavirus COVID-19 pandemic, Franklin Farm Foundation has CLOSED and taped off all of the community's Tot Lot playgrounds. Please respect these new barriers and adhere to the following activity guidelines:

- Stay home if you are sick.
- Do not engage in activities that require physical or shared contact.
  - Avoid congregating in groups.
  - Maintain a 6-foot distance between others.
- Avoid touching shared surfaces and equipment.
  - Take trash with you.
  - Wash hands frequently.

On a parallel basis, the Fairfax County Park Authority closed county playgrounds, skate parks and restrooms, adding to the many other county facilities already closed. County health officials recommend refraining from playing on all playground equipment at this time, including community/neighborhood playgrounds.

The full text of the county's closure announcement is [here](#).
